Modification in the Contract

560. SURI ANANTRAY DEVSHANKER DAVE: Win the Minister of WATER RESOURCES be pleased to state:

(a) whether the M/s Sumitomo Corporation, Japan, made a contract for the supply of turbo-generating sets for river bed power house of the Sardar Sarovar Project and requested for modification in the original contract in March, 1995;

(b) if so, the details thereof; and

(c) the action taken by Govemment so far in this regard?

THE MINISTER OF WATER RESOURCES (SHRI JANESHWAR MISHRA): (a) and (b) Yes, Sir. The principal issues which were proposed for amendments are; Compensable cost for the stored equipment, delivery schedule, scope of works, suspension of works, warranty, inspection of the stored equipment prior to shipment, advance payment guarantee, performance guarantee etc.

(c) As a follow-up action on the decision of the 7th Meeting of the Review Committee of Narmada Control Authority held on 13th November, 96 a negotiating team has been formed to hold talks with the suppliers M/s Sumitomo Corporation regarding storage and interest charges for the Turbogenerating sets which are in manufactured or semi manufactured condition and stored in Japan. This will lead to further course of action in the matter.

Cauvery Water Dispute

561. SHRI RAJ NATH SINGH:
SHRI GAYA SINGH:
SHRI N.GIRI PRASAD:
SHRI R. MARGABANDU:

Will the Minister or WATER RESOURCES be pleased to state:

(a) whether any progress has so far been made with regard to resolving Cauvery water dispute between kamataka and Tamilnadu;

(b) if so, the details thereof; and

(c) if not, the reasons therefore?

THE MINISTER OF WATER RESOURCES (SHRI JANESHWAR MISHRA): (a) to (c) The Central Government has set up Cauvery Water Disputes Tribunal for adjudication of the dispute under Section 4 of the Inter State Water Disputes Act, 1956. The Tribunal has given an Itcrim Award on 25.6.91. As per the award, the Sates of Karnataka is to release water from its reservoirs in Karnataka so as to ensure that 205 TMC of water is available in Tamil Nadu's Mettur reservoir in a year from June to May. Six TMC water for karaikal region of the Union Territory of Pondicherry will be delivered by the State of Tamil Nadu in a regulated manner and the State of Karnataka Shall not increase its area under irrigation by the waters of the river Cauvery beyond existing 11.2 lac acres.

So far the Tribunal has conducted 100 hearings and the basin states are participating in the proceedings of the Tribunal.

Participatory Management Programme

562. SHRIMATI JAYANTI PATNA IK Will the Minister of WATER RESOURCES be pleased to state:

(a) whether efforts have been made in some states to involve the farmers in the Participatory Management Programme, (PMP);

(b) if so, the details thereof;

(c) whether Govemment propose to make similar efforts to involve farmers in the Participatory Management Programmes in other states; and

(d) if so, the details of the schemes in that regard?

Kerala, Madhya Pradesh, Maharashtra, Orissa, Rajasthan, Tamil Nads, Uttar Pradesh and West Bengal to involve the farmers in the participatory Management Programme (PMP).

(b) Statewise details are at Statement

(See below).

(c) Yes, Sir.

(d) Since water is a State subject the role of Union Ministry of Water Resources is that of facilitator and the implementation of participatory Irrigation Management has to be done by the State Government. Water Policy of 1987 recommended that fanners should be progressively involved in the management of irrigation system. Under centrally sponsored Command Area Development Programme, necessary guidelines have been issued to participating states to involve farmers at minor (canal) level through formation of Water Users Associations. Management subsidy is provided to these Associations under the Programme. A series of Conferences on Participatory Irrigation Management have been held at National, State and Project levels to create mass awareness among officials and farmers. Training courses on participatory process are being conducted for officers and farmers. States have been advised to form High Level Working Groups to consider policy issues and guidelines on participatory irrigation management. Action has been taken by the Ministry of Water Resources to prepare manuals in four regional languages. Works of preparing drafts of model amendments to Irrigation Acts in order to give legal status to farmers organisations is in progress.
